Adult Workforce Ecosystem Members

Training Providers for Targeted Populations	Training Providers	Trusted Community Organizations	Barrier Removal Organizations	Employer Driven Collaboratives	Apprenticeship Hosts	Broad Workforce/Career Services Organizations	Workforce Funders	Communicators & Policy Advocates	Intermediaries
Provide training and job skill development for targeted populations.	Provide training and job skill development, sometimes also with barrier removal.	Support people with initial job preparation and readiness, and/or connect them with workforce providers.	In workforce context, help people address barriers to work and connect them with workforce providers.	Influence and connect groups of employers and nonprofits to improve outcomes, or support employers directly.	Organize or host "earn & learn" apprenticeship or pre-apprenticeship programs.	Primary role is workforce development and play multiple roles: provide training and job skill development, address barriers to work, and job placement. Leverage other capacities to help ecosystem overall.	Provide funding for non-profits and employers addressing workforce needs.	Bring visibility to workforce needs through data and stories, and/or influence government policy, administration or funding.	Bring resources, knowledge, and capacity to organizations in the workforce ecosystem.
